

from dry to wet. easily.

Eurocom

Eurocom is a pool of gathered experiences, gained in the sale of machines for producing diapers, sanitary towels, diapers and wipes. It's originated by the need of companies to fix the problem of choice of raw material and of the correct working of the machines. Each customer who buys a machine for the production of wet wipes is assisted by Eurocom for the right choice of raw materials and of the better suppliers, selected and followed with attention and big collaboration.
